

**FACE PLATE 1 and 2 PORT**

The Raxxes™ 1 and 2 port face plate has been redesigned to be more appealing to the eye and also fully functional to meet all the standard requirements of the industry. The mounting screws have been cleverly hidden beneath a top face cover to give that clean look that today’s office design criteria demands. From the sloped edge to the smooth finished look this is truly a outlet that will maintain the décor of any workspace design.

**PRODUCT BRIEFS:**
